APPLICATION FOR STATEMENT OF CHARGES (CONTINUED) Page 2 of 2

On 06-01-23 (4) likely related residential garage burglaries were reported to Frederick County Sheriff's Office in the Urbana area of Frederick County Maryland:

23-061333 - 9680 Ethan Ridge Dr - 05-31-23 @ 2250 - unlocked garage entered, Miscellaneous Ryobi Power tools stolen valued at \$1500, B/M suspect seen on surveillance video from inside garage enters and can be seen walking around stealing items. *B/M is seen wearing distinctive shoes with unique design/markings. Deputies contact neighbor (Jimmy Morocco, 4062 Finsbury Way) who is able to find surveillance video of a vehicle which is later confirmed after vehicle comparison as a Audi A4 driving in the alleyway near the victims garage around the time of the theft/burglary. Also seen in this footage is another unknown male subject seen walking down the alleyway. (POC/Victim Amy Selvinkumar)

23-061050 - 3866 Sugarloaf Pkwy - 05-31-23 - unlocked garage entered, \$289.97 in sporting equipment stolen (Under armor black aluminum lacrosse, Cascade Helmet, Warrior Warp) - victim contacted play it again sports Frederick MD and discovered that the helmet and the two LAX sticks were sold by Malik Boyd B/M/02-21-98 on 05-31-23 (Check#6862) (POC/Victim Matt Simons)

On 06-02-23 I was assigned these cases for investigation.

A check of recent traffic stops locally reveal that Malik Boyd is the regular driver of a 2017 Audi A4 (MD tag 8FC0492). FCSO Crime Analyst Nate Michael completed a vehicle comparison and the vehicle in the surveillance video matches that of a 2017 Audi A4. Further the suspect seen in the garage appears to have the same build/height/weight of Malik Boyd. Review of recent AXON body camera footage from a traffic stop with the Audi A4 on 04-20-23 (FCSO Case#23-045435) Boyd exits the vehicle and the shoes described above appear to match that of what he is wearing inside the garage camera footage. It should also be noted that Malik Boyds previous place of residence was in the Urbana area. The front seat passenger next to Boyd at the time of this traffic stop above is identified as Andrew Salter W/M/08-25-98.

Since 05-31-23 Malik Boyd has sold the following items to MD pawn shops consistent with garage burglaries however victims for these specific items have yet to be located:

05-31-23 - Frederick Jewlery and Loan - Corded Dewalt Buffer/Sander

06-05-23 - Best Pawn, Riverdale MD - Honda Generator, Predator Generator

Since 05-31-23 Andrew Salter has sold the following items to MD pawn shops consistent with garage burglaries:

06-03-23 - 2900 PSI RYOBI 2.3 GPM MATERIAL: METAL YEAR: 2018 - This item matches the item stolen in 23-061114 above.

Since 06-02-23 Detectives and police officers have attempted to locate the vehicle described above to seize the vehicle pending a search and seizure in attempt to locate stolen property. Detectives and Officers have been unsuccessful in locating the vehicle.

APPLICATION FOR STATEMENT OF CHARGES (CONTINUED) Page 3 of 9

I have learned that Malik Boyd is currently on probation and supervised out of Frederick County MD by Agent Ngundam. Agent Ngundam has advised that Boyd's cellphone number is: 2405666675

Malik Boyd has been identified as the primary suspect in these investigations and it is determined that his main contact number with his probation agent is 2405666675. On 06-06-23 I applied for and was granted a phone ping/locate order. The phone location order was signed and initiated on 06-06-23 and showed that Malik was consistently at his place of residence of 2109 Battery Ln. It appeared that Malik likely parked the car in the garage at this location on a regular basis.

On 06-08-23 Detective Whitehouse, Detective Schultz and I went to the residence of Malik Boyd, 2109 Battery Ln with the intention of questioning him on these burglaries/thefts. The full context of this encounter was recorded with our AXON body cameras. I knocked on the door and was greeted by Malik's Mother, Justine Boyd. Justine invited me into the home and Malik greeted me a short time later. I advised Malik that he was not under arrest and informed him that he did not have to speak with me. Malik and I sat down in the dining area of the home. I told Malik that I had obtained video footage of him from a garage burglary where items were stolen and that I had discovered that he sold items to play it again sports and a local pawn shop that were stolen from these burglaries. I also told him that his vehicle was seen in an alleyway outside one of the burglaries. Malik denied any involvement in the burglaries and claims that he was given the items to sell by a friend of his, Andrew Salter. Malik states that he had messages in his phone to show that he was given the items by Andrew. Malik showed me these messages on his phone which do not clearly show how Boyd would have received the items. Malik states that Andrew gave him the grinder and lacrosse equipment as payment for a debt he owed him. He states that Andrew told him he found the items. I showed Malik the video surveillance captured in the garage, and he still denied that it was him in the footage. Malik was unsure when the last time he was in Urbana and whether his car would have been seen on surveillance footage that night. I pulled up video from the traffic stop mentioned where the shoes he is wearing appear consistent with the shoes in the burglary surveillance video. Malik could not remember what shoes he was wearing the night of the traffic stop but agreed to let Detective Schultz see all the shoes in the home (see AXON footage). I asked Malik for consent to search his Audi A4 which was in fact parked in the garage at the home. Malik provided consent signing FCSO form 42-D. While searching the Audi we observed a blue "cliegear" golf bag in the trunk of the vehicle which contained several high end golf clubs and had a orange Bushnell rangefinder case attached to the exterior. Malik specifically states that this golf bag is his property. Malik provided consent signing FCSO form 42-D. The Audi was searched by Detective Schultz and I and we did not locate any evidence relevant to these cases. Malik also provided consent to search his iphone and signed FCSO form 42-D. Photographs were taken of Malik Boyd for video surveillance comparison.

The cellphone was released to Detective Crane FCSO at 1700 hours for download.

When Malik sold the above Lacrosse equipment to play it again sports he also sold several (2) golf clubs (Taylor Made M1 Driver, Nike SV Reg Flex Steel shaft, he received a total of \$119.98). On 06-07-23 I obtained photos of these clubs and requested that they get shared with the Urbana community Facebook group. On 06-09-23 I was contacted by Kenneth Booth, a resident of 9401 Cornwell Meadow St (Urbana). Kenneth explained that he saw the photos posted on Facebook and noticed that the clubs were his. I asked what other clubs he had missing and he described that his entire golf bag was stolen. Kenneth explained the following: Blue "cliegear" golf bag, Taylormade irons, orange bushnell case attached to exterior. I immediately recognized these items as what I had observed the day prior in the trunk of Malik Boyd's car.

On 06-09-23 Detective Whitehouse and I again went to the residence of Malik Boyd, 2109 Battery Ln. I made contact with Malik at the door and again explained he was not under arrest. The full context of our conversation was recorded with my AXON body camera. I told Malik that I had been contacted by another burglary victim in Urbana and learned that the "Cligear" bag in the back of his car was stolen. Malik maintained that this was his property and that he had bought the bag some time ago. Malik signed a consent form 42-D and allowed us to retrieve the bag from his vehicle/garage. Several photos of items and the clubs were sent to the victim and he confirmed that all but (3) of the clubs and a pair of sunglasses were his property. It should be noted that several very unique items were in the bag: coins from events the victim attended etc. Malik continued to lie and state that this was his property and he bought these clubs some time ago.

On 06-06-23 at 1500 Malik and his Audi A4 were involved in a suspicious incident reported to Frederick City Police at a local RV sales location Chesaco RV 1501 E Patrick St. I spoke with the Manager at this location who reports that he saw the vehicle (Audi A4 8FC0492, Malik Boyds car) driving suspiciously through their RV lot. He followed the car and it parked down the street and a black male exited and ran across the road. He states that he called Frederick City police but by the time they arrived the car had left.

Based on these circumstances and continued activity, on 06-09-23 I applied for and was granted a search warrant for installation and monitoring of a GPS device on Malik Boyds Audi A4 MD tag 8FC0492.

On 06-09-23 FCSO received a report of a burglary and theft at 6261 Fairfax Ct, Frederick MD. During this burglary which is believed to have occurred between 05-30-23 and 06-09-23 the following items were stolen:

- (1) KTM 350 Dirt Bike, VIN #VBKEXK402GM266953, **left foot peg sheared off, valued at \$6500
- (1) Honda 2000 portable generator, no serial number, valued at \$1000
- (1) Predator 2000 portable generator, no serial number, valued at \$900

The victim, Dennis Salter (Uncle of Andrew Salter), provided information that the KTM dirtbike was unique in the fact that it contained numbering from a previous owner who raced the bike. The numbering was "773". Furthermore Dennis later explains that the left footpeg on the dirtbike was damaged (sheared) from a riding trip on Memorial Day weekend (May 20th). It is also learned that Andrew Salter lived in his home and was kicked out a month ago. Dennis was also familiar with Malik Boyd who he says had been to his home previously with Andrew Salter.

When I observed this report I recognized that the generators reported match that of what Malik Boyd sold on 06-05-23 at Best Pawn, Riverdale MD. The items were listed as: Honda Generator, Predator Generator.

After review of the download of Malik Boyds cellphone I found (3) photographs of the KTM 350 Dirtbike and photos of a honda GC generator. The dirtbike is confirmed that this is in fact the victims by the numbering on the bike itself "773" and also the broken footpeg that can be seen in the photo. The photos are described as follows:

- (1) Photo of dirtbike inside the victims trailer - No metadata - saved to phone on 05-30-23 @ 706 PM - it appears that the pedal is intact in this photo. This photo is a screenshot
- (1) Photo of the dirtbike in the bed of a ford ranger pickup truck - No metadata - saved to phone on 05-30-23 @ 706 PM (pedal cannot be seen). This photo is a screenshot

conversation. Malik allowed me to look the texts and handed me his phone. I photographed all of the messages. Malik and Andrew go back and forth in texts blaming one another for stealing the dirtbike/generators. Malik maintains that he had nothing to do with stealing the dirtbike or generator. When confronted about the photo of him sitting on the dirtbike he claims that photo was taken in February or March. This is a lie because the damaged foot peg from memorial day weekend can be seen in the photo making the photo taken sometime between 05-30-23 and the date it was reported missing on 06-09-23 (10 days). Malik claimed he hadn't been on the bike since February or March and that the photo was a screenshot that a friend of his sent him from that period. Malik maintains that he stole none of these items stolen from these burglaries and that all the items came from Andrew Salter.

On 06-15-23 at 1004 Detective Whitehouse and I went to 14705 Carson Dr, Burtonsville MD. I had received information that Andrew Salter was staying at this residence with an elderly man. The full context of our conversation was recorded with my AXON body camera. We knocked on the door and received no answer. A short time later Andrew Salter walked out a side door. I asked Andrew to be honest with me about the dirtbike and the other stolen property. Andrew showed me messages in his phone and the photos of the dirtbike which were the same as the photos observed in Malik's phone. He states that he was sent these photos by a random number later determined to be his uncle (Victim: Dennis Salter) from a spoofed number looking for information on his dirtbike. Andrew denied any involvement in stealing the dirtbike. When asked about the Ryobi pressure washer he sold he states that Malik came and picked him up in Burtonsville and that Malik had the pressure washer in his car. Andrew states that he then sold it to the pawn shop because "Malik didn't have an ID". Andrew states that he received a call Malik who stated that "Tae" (Davonta Thomas B/M/09-14-94) called him and asked where his uncle lived, he thought that to be weird but this was prior to the bike being stolen. He states after the bike was stolen he talked to Tae on the phone and Tae told him he knew where the bike was and that Malik tried to sell it to him. Andrew claims that he has not been in Frederick for a month, which would be previous to all of these incidents. I spoke briefly with the elderly man who owns the home, Jimmy Nanos W/M/02-20-50 who states there is not a dirtbike on his property. I also informed him of the messages I observed between Andrew and Malik where Andrew displays that he is taking advantage of him. Jimmy states that he found Andrew living in the woods a short distance away and decided to help him get on his feet.

In reviewing the GPS points in which Malik Boyd's vehicle travelled. I discover that on 06-10-23 @0406 AM (12 hours after I met with him to give his phone back) Malik travels to New Market and ultimately stops for a brief period on E Hyatt Rd at Mussetter Rd. Detective Whitehouse and I went to this location and contacted the homeowner of 5402 Mussetter Rd, Marie Wheeler W/F/12-22-75. My AXON body camera recorded this encounter. Marie allowed up to search the treeline on her property which is adjacent to E Hyatt Rd where the Audi stopped briefly. In the treeline we located the following items:

Lexus Wheel and tire (confirmed stolen from FCSO 23-061114)

Upon further review it is discovered that just prior to the Audi travelling to E Hyatt Rd it stopped at an address of 10435 Old National Pike, a short distance away, for a brief period. This address is discovered to be the residence of Malik Boyd's Grandmother, Beatrice McKnight B/F/09-28-51. Detective Whitehouse and I stopped by this address and contacted Beatrice. The full context of our conversation was recorded with my AXON body camera. When we arrived we observed a husky tool box laying on the ground next to an exterior garage. Next to the tool box was a green Ryobi pressure washer hose. Beatrice was asked about these items and she said that she assumed they belonged to her neighbor, this location was a duplex. She also states that she saw other tools there with these tools previously and specifically remembers there being a wheel at this location as well. I was able to contact Beatrice's neighbor, Logan Stayton W/M/05-12-00 via telephone who states that they tools are not his and he assumed they belonged to his neighbor. Logan provided me with his landlords contact information, Colby Hubble who states that they did not see the tools or Malik on the property. The following tools were photographed and seized from the ground outside the garage:

Husky pneumatic wrench set
green Ryobi pressure washer hose

As of 06-20-23 the owner of the pneumatic wrench set and ryobi pressure washer hose has not been located.

Due to the circumstances and time elapsed after the burglaries to when Boyd sold the items, I am requesting he be charged with 2nd Degree Burglary in all of these cases. Boyd had three opportunities speaking with me where he continued to deny involvement and could have returned the property he says he was given by Salter. Boyd hid the stolen property after speaking to me on in the woods on Mussetter Rd in the early morning hours of June 10th. In addition to this a subject appearing to be Boyd can be seen in the below case inside the garage and his vehicle is also seen in the area.
